Work Package 7

Work Package 7: Remembrance engagement program implementation, Romania

Duration:	M12 – M21	Lead Beneficiary:	UniTBv		
Objectives					
<ul style="list-style-type: none"> ▪ Foster intergenerational dialogue, bringing younger generations closer to EU history, thus fostering their sense of belonging to EU ▪ Promote historical understanding through the testimonies of direct and indirect witnesses, personal narratives and historical context ▪ Preserve oral testimonies of women and children’s resilience in WWII through the creation of video books that can be accessed by younger generations for educational and research purposes ▪ Foster a sense of connection and community engagement, especially youngsters between 14 and 25 years old, through organisation of Urban Trekking allowing to explore and connect with historical sites and landmarks in their city ▪ Raise awareness and combat historical ignorance ▪ Boost the adoption of non-formal methods for educational initiatives on EU history and active Remembrance 					
Activities and division of work (WP description)					
Task No (continuous numbering linked to WP)	Task Name	Description	Participants		In-kind Contributions and Subcontracting (Yes/No and which)
			Name	Role (COO, BEN, AE, AP, OTHER)	
T7.1	Recruitment and training of Living Books	Living Books who will share their stories during the HL event will be selected by UniTBv. Books will tell stories connected to the women and children’s resilience in WWII and will be later recorded to preserve their their testimonies in form of video. The next step of this tasks is training of the Living Books. Training will include: introduction to CERV and SURVIVE project, Human Library method (history, objectives, rights and duties of the Book, detailed organisation of the event), storytelling techniques, communication skills. During the training, Living Books will be supported in preparation of the title and abstract of their story, that will be used in the Books catalogue. The Books will be encouraged to gather supplementary materials such as photos, letters, maps, or any other relevant resources that can enrich and be shared during the HL event.	UniTBv Negru Vodă Cultural Foundation of Făgăraș	BEN AP	No
T7.2	Preparation of Human Library event in Brasov, Romania	Human Library event preparation includes: -creation of the catalogue: based on the abstracts and titles prepared and selected by Living Books; -venue arrangements: choice of the place suitable for all participants (Readers and Books), arrangement of seating, signage and any necessary audiovisual equipment;	UniTBv Casa Mureșenilor Museum	BEN AP	No

		<ul style="list-style-type: none"> - event promotion: creation of the promotional online and offline materials of the event (social media posts, posters) and communication in online and offline channels of the organisation; - volunteers recruitment: selection of the volunteers who will assist with event logistics, registration, guiding readers and ensuring smooth flow of conversations; - Reader registrations: setting up of a system for Readers to register for specific time slots or Books of interest; - event schedule and facilitation: creation of the plan outlining time slots for each Living Book and reader, appointing Librarian - facilitator of the event, who will introduce participants to all the rules of the Human Library; - participants list: preparation of the template. 			
T7.3	Video testimonies production	At least 5 video testimonies will be recorded during the HL event or later. 3D animations of previously scanned artifacts will be incorporated in the final videos. UniTBv will take care of subtitling videos in Romanian and English to ensure accessibility. Videos will be published and shared on the dedicated playlist on YouTube channel. Publication will include small abstract of each story. Templates for opening and closing of the videos will be created, including logo of EU, SURVIVE logo, partners logos, disclaimer and title of the Living Book.	UniTBv	BEN	No
T7.4	Preparation of gamified Urban Trekking on women and children's resilience in WWII in Brasov, Romania	<p>Gamified Urban Trekking preparation task includes:</p> <ul style="list-style-type: none"> -route planning: choosing the itinerary in Brasov, showing participants known and unknown places connected to the women and children's resilience in WWII topic; - gamification elements: creation of the bound in Actionbound tool based on the chosen itinerary. Bounds can include challenges, tasks, riddles to engage participation; - storytelling and information: developing narrative or storytelling component that will provide participants with historical context, facts and anecdotes about the chosen locations. Stories can be included in the bound; - promotion and communication: creating promotional online and offline materials (posts, posters) to communicate and disseminate the events; - invitation of participants: inviting schools, libraries, youth centers, local organisations and public bodies; - safety measures: ensuring safety of participants by conducting a risk assessment of the route and addressing any potential hazards; preparing and communicating safety guidelines and providing any necessary emergency contacts and procedures.
